

Ike Denvers Joins the National Wireless Independent Dealer Association (NWIDA)

Mr. Denvers joins the Board of Directors, adding a strong voice to outreach efforts.

December 11, 2017 - West Orange, NJ The National Wireless Independent Dealer Association Launches (NWIDA), the only organization for the independent wireless dealer has announced that Mr. Ike Denvers has join its Board of Directors.

Mr. Denvers, of Honolulu, HI, joins current Board members Doug Sadowski, Phil Katz, Dennis J. O'Connell and NWIDA's President, Adam Wolf.

Mr. Denvers has been the main admin and moderator of the two largest prepaid wireless dealer groups on Facebook since 2011. He has consulted with everyone from dealers to CEOs of wireless carriers. Currently he acts as a wholesale development consultant for a master dealer in Hawaii. He is known for his plain spoken and often outspoken responses and sticking up for the independent prepaid wireless dealer.

"I joined (NWIDA) to make a difference for independent prepaid wireless dealers across the USA in this exciting but rapidly changing and increasingly competitive business." Said Mr. Denvers.

"We're thrilled to have Ike join us", said Adam Wolf – President of NWIDA. "To add someone of his ability, strong opinions and outstanding knowledge certainly makes NWIDA, our members and the entire industry stronger."

"The independent dealer is the backbone, heart and core of the prepaid wireless industry." said Mr. Denvers, "I'm thrilled to be able to lend my voice and expertise to this growing association and its members."

About NWIDA:

The National Wireless Independent Dealer Association (NWIDA - www.nwida.org) was established to provide competitive balance to the wireless retail and repair stores. By taking advantage of extended buying power, NWIDA members save 10-50% on products and services used every day.

In addition, NWIDA members have access to exclusive content, seminars and webinars that is not available anyplace else.

NWIDA also advocates on behalf of its members and the entire wireless industry on related matters and legislation such as Right-to-Repair.

NWIDA also manages **THE LIST**, a database of wireless wholesalers which can be accessed for free by anyone in the industry, NWIDA member or not. Wholesalers can also be listed for free. **THE LIST** is located at www.nwidalist.org.

Membership is open to any independently owned wireless business and is available in semi-annual and annual options. There is no application fee. NWIDA can be contacted through their website (www.NWIDA.org), via phone (919-NWIDA-98) or email (info@nwida.org)
